

X-GRIP

51-000

Due to the crinkle finish and anatomical shape, OXXA X-Grip 51-000 work gloves with latex coating are known for their excellent grip, both under dry and wet working conditions.

CHARACTERISTICS:

- Glove with latex coating
- Polyester/cotton outer liner (10 gauge)
- Anatomical glove shape provides better grip
- Optimum comfort during prolonged use
- Very good ventilation at the back of the hand
- The liner of the glove ensures that perspiration is absorbed
- The crinkle finish provides the glove with excellent grip under both wet and dry working conditions
- Excellent wear resistance
- Colour: green/yellow
- Sizes: 7 to 11
- **Article number: 15100000**
